ABOUT US...

V5 AUTOPARTS MANUFACTURING PVT. LTD.
was established in 2006 as a company for the
Business of manufacturing products.

Our product advantage

- Fixtures are made to guide the workpiece while the machining tools remains in place.
- Fixtures are developed by using imported & branded materials like POGO Pins.
- Our 500 + test jigs & 700+ FCT Bon Fixtures , PCB testing Fixtures or Jigs supplied to leading electronics manufacturing giants accross India.
- Manufactures 20- 25 jigs and Fixtures per month.
- Rubber parts developed by using branded materials to check the leakage of shockers or insert & picking the seals.
- Mechanical parts are made with high accuracy (AS PER DRAWING) with many materials like (Brass, Stainless Steel, Aluminium, Copper , High Speed Steel, Nylon)

Lead forming or trimming machine

- We designed & manufacture the different mechanism machine as per customer demands.
- Lead forming machine designed to cut and form the leads components with 3 to 7 leads for vertical or horizontal mounting.
- Lead trimming machine designed to cut the leads of loose radial components with lead diameter.
- Cutting and forming machine to cut and form radial components with 2 leads.
- The machine has been developed to cut the leads of radial components.
- The machine features are adjustable or easy to use and operate.

Our Product

FCT BON PCB TESTING JIGS & FIXTURES (PNEUMATIC OR MANUALLY)

FCT BON TESTING FIXTURE PNEUMATIC

JIG WITH TOGGLE CLAMP

CNC TURNING & DRILLING FIXTURE

VMC TURNING & DRILLING FIXTURE

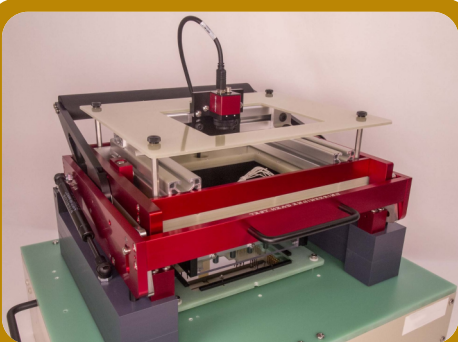

POGO PINS

PCB BOARD TESTER

PCB BOARD & POGO PINS

PNEUMATIC FIXTURE PCB TESTING

MANUAL JIG WITH TOGGLE CLAMP

Our Product

LEAD FORMING, TRIMMING MACHINE & PCB CUTTING MACHINE

FORMING & CUTTING BENDING MACHINE

CUTTING & STAMPING MACHINE

LEAD CUTTING MACHINE

CUTTING MACHINE FOR
TAPED RADIAL COMPONENTS

FUSE BOX TESTING MACHINE

PCB CUTTING MACHINE

Our Product

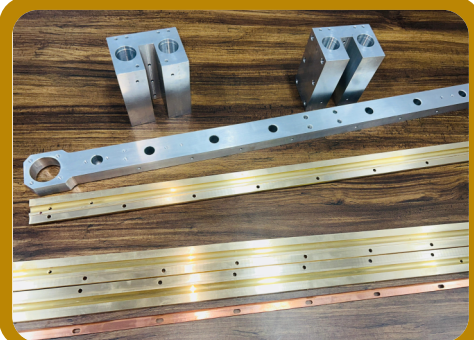

MECHANICAL PARTS & RUBBER PARTS

OIL SEAL INSERT CAP
AND SEAL RUBBER PARTS

ALUMINIUM MACHINING PARTS

BRASS MACHINING PARTS

COLLETS

FORM DRILL

DERLIN MACHINING PARTS

LEAD SCREW

COPPER MACHINING PARTS

CUTTING TOOLS

CUSTOMERS
